Shaping the future

Operator: Mining

Vacancies exist for Operator: Mining in the Mining department. The incumbents will be responsible for the safe operation of mining equipment at design capacity and contribute to achieving the overall mining production targets within the parameters of cost and Rössing Uranium's safety standards.

Key performance areas

- Maintain health safety and environment standards;
- Communication with peers, supervisors and other stakeholders;
- Operate moving equipment; and
- Ad hoc duties.

Minimum qualifications

- Grade 12, 20 points and an E-symbol in English;
- Two years' experience in operating earthmoving equipment;
- Code BE driver's licence;
- Code 11 will be an advantage.

To apply

Please submit your curriculum vitae and certified copies of qualifications with a cover letter to e-mail: RUL.recruitment@riotinto.com

Application closing date: 9 June 2017
