

See your world grow

Rio Tinto is a leading international mining group, headquartered in the UK. Rio Tinto's business is finding, mining and processing mineral resources. Major products are aluminium, copper, diamonds, energy (coal and uranium), gold, industrial minerals (borax, titanium dioxide, salt, talc) and iron ore. Activities span the world but are strongly represented in Australia and North America with businesses in South America, Asia, Europe and Southern Africa.

Rössing Uranium Limited is proud to be a Namibian Equal Opportunity Employer. As part of the Rio Tinto Group, we are dedicated to leading edge environmental, health, safety, community and competitive employment standards. We are focused on advancing our mining and metallurgical technology and becoming an innovative supplier of clean, environmentally friendly energy to approved electricity generators worldwide.

As per the Affirmative Action (Employment) Act, Act 29 of 1998; Namibian Citizens from historically disadvantaged groups, especially women and people living with disabilities, will enjoy preferential treatment. Only short-listed candidates will be contacted.
