

Congratulations Paulus

IAAF World Championship qualifier
London 2017

Namibia's Rössing Marathon National Champion, Paulus Iiyambo, won the Gabarone Marathon on 7 May and in the process qualified for the IAAF World Championships in London, in August this year. On behalf of all of us at Rio Tinto Rössing Uranium - well done Paulus! We are eagerly following your achievements as Rössing Marathon National Champion in 2017.

“

As a long-distance athlete I need the best running equipment to be competitive and ensure my body has enough support to prevent injuries.

The Rössing Marathon development bonus enables me to get the appropriate support to run at my best.
