Subject: Current SLR applications

*In response to our telephonic conversion on 21 August 2014, please find below a list of our current applications/projects and our queries and/or comments regarding these projects.*

*(Please note – for the interest of the Rössing Desalination project, other non- related issues were deleted from the original fax sent to MET).*

Project	Date submitted	Discussion
Rössing Desalination Plant	N/A	A BID was emailed to the MET on 24 July. SLR, together with Aurecon, has commenced the scoping process. Various public and key stakeholder meetings have been carried out. The draft Scoping Report is currently being compiled. The application form has been submitted.

*Thank you very much for your assistance in this regard. We always really appreciate your willingness give us feedback.*

*Kind regards*
