

Shaping the future

Bus Drivers

As pioneers in mining and metals, we produce materials essential to human progress. Our talented workforce uses industry-leading mining processes and technology to ensure our operations are safe, low cost and efficient.

Vacancies exist for Bus Drivers in the transport section of the Engineering & Projects department. Reporting to the Transport Coordinator, the successful candidates will be responsible for the efficient, effective and safe transportation of Rössing employees to and from their place of work, including general transport-related tasks.

Key performance areas

- Safely and effectively transporting Rössing personnel and approved visitors to and from the mine;
 - Comprehensive daily checking of buses, midi, mini buses and sedans;
 - Delivering of callout vehicles when requested via Protection Services;
 - Conducting alcohol tests and inspecting drivers' licences prior to issue of vehicles;
 - Adhering to parking and departure procedures;
 - Coping with changing demands or needs;
 - Collecting and delivering permanent and non-permanent drivers timeously to perform their duties; and
 - General housekeeping of premises and transport fleet.
- Swakopmund permanent bus driver must reside in Swakopmund;
 - Arandis permanent bus driver must reside in Arandis;
 - Permanent bus drivers must be prepared to work shifts as prescribed.
