

Shaping the future

Senior Controller: Security Services

A vacancy exists for a position of Senior Controller: Security Services within the HSE & Protection Services department. The successful candidate will be responsible for ensuring compliance with all access control security regulations and standards and appropriate response to security breaching in a proactive manner.

Key performance areas

- Maintaining health, safety and environmental standards;
- Access control, CCTV surveillance and crime prevention;
- Security and risk management;
- Initiate cost saving measures;
- Staff supervision;
- Safety management;
- Operational assistance;
- Continuous improvement;
- Other related duties as required or instructed by the Superintendent Protection Services.

Minimum requirements

- Grade 12;
- A recognised Bachelor's degree / B-Tech in Security Risk Management or Police Science or equivalent;
- Minimum of three years' working experience in a security & risk management/emergency environment, of which one year should have been at a supervisory level, preferably in a heavy industrial or mining environment;
- Valid code BE driver's licence.

To apply
