

PARTNERS IN POTENTIAL.

RÖSSING URANIUM MINE BURSARIES 2019

Preference will be given to 3rd, 4th year and post-graduate students already studying in the following fields:

- Electrical engineering
- Engineering geology (Geotechnical)

As per the Affirmative Action (Employment) Act, Act 29 of 1998; Namibian citizens from historically disadvantaged groups especially women and people living with disabilities will enjoy preferential treatment.

Closing date: 28 SEPTEMBER 2018

Requirements

- Namibian citizenship;
- A 65% average pass mark in major subjects for students already studying at a tertiary institution;
- Proof of registration at a recognised training institution (if available).

If you meet the above requirements, please submit your letter of application clearly stating your intended field of study. **The following supporting documents should be attached to your application letter:**

1. A fully completed bursary application form OR a copy of your CV with a covering letter.
2. Certified copies of tertiary academic records (2017 year-end and 2018 mid-year results).

Application forms can be collected from the Rössing Corporate office in Swakopmund at 28 Hidipo Hamutenya Avenue, or 360 Sam Nujoma Drive in Windhoek (Klein Windhoek), or at the Rössing Foundation at Ondangwa Centre, Main Road, Ondangwa.

Application letters with the required documentation should be sent to:

Febe Ndeutala, Advisor Training & Employee Support, Rössing Uranium, Private Bag 5005, Swakopmund. Fax: +264 64 520 2462 / E-mail: bursariesnam@riotinto.com

Only short-listed candidates will be contacted. Should you not hear from us six weeks after the deadline, please consider your application unsuccessful.

Applications for bursaries in fields of study other than the ones listed above will not be considered.
