

Rössing Uranium believes that realising your potential is not enough. There's always more potential for you to realise. So we create an environment that challenges you to be challenged, that constantly questions wisdom, that is finding answers to tomorrow's mining questions.

## **RÖSSING URANIUM MINE BURSARIES 2020**

### **• Chemistry**

Preference will be given to 3<sup>rd</sup> year students already studying in the Chemistry field.

**Closing date: 30 November 2019**

Bursary application forms can also be collected from the Rössing Corporate office in Swakopmund at 28 Hidipo Hamutenya Avenue, or 360 Sam Nujoma Drive in Klein Windhoek, or at the Rössing Foundation at Ondangwa Centre, Main Road, Ondangwa.

**Requirements:** Namibian citizenship; A 65% average pass mark in major subjects; Proof of registration at a recognised training institution.

If you meet the above mentioned requirements and are interested in this opportunity, kindly submit your letter of application clearly stating field of study. The following supporting documentation should be attached to your application letter:

1. A fully completed bursary application form OR a copy of your CV with a covering letter.
2. Certified copies of tertiary academic records (2018 year-end and 2019 mid-year results).
3. Certified copy of Namibian ID, passport or birth certificate.

As per the Affirmative Action (Employment) Act, Act 29 of 1998; Namibian citizens from historically disadvantaged groups especially women and people living with disabilities will enjoy preferential treatment.

Only short listed candidates will be contacted. Should you not hear from us six weeks after the deadline, please consider your application unsuccessful. Applications for bursaries in fields of study other than the one listed above will not be considered.
