

GENERAL CONDITIONS OF CONTRACT VARIATIONS SCHEDULE

Instructions to Tenderers

The General Conditions of Contract contained in this Tender Document constitute the Rössing Uranium Limited standard contractual terms and conditions and shall not be amended as part of the Tender submission.

Should a Tenderer wish to propose any deviation from, addition to, or qualification of the General Conditions of Contract, such proposal shall be recorded in this Variations Schedule. Each proposed variation must clearly identify the relevant clause number, the proposed amendment, and the reason for the proposed change.

The Rössing Uranium Limited reserves the right to accept or reject any proposed variation in whole or in part. Any variation accepted by the Company will be incorporated into the Special Conditions of Contract at the time of contract award. Variations not accepted by the Rössing shall have no force or effect.

Failure to complete this schedule will be deemed to indicate that the Tenderer accepts the General Conditions of Contract without qualification.
